

Broward County Darting Association

Dear BCDA Members,

Because of the State Team Event, this newsletter will be a combination of Weeks 12 and 13.

The Turkey Shoot tournament is November 4-5th at Brady's Irish Pub.

Have an awesome Week 14!

BCDA Team #1 Wins FDA State Team Championship

Cheers roared through the hall when Team #1 learned they won the FDA State Team Championship. In one of the closest battles for 1st place, BCDA showed prowess as they focused on each game and won match after match. After a dominating round, BCDA moved into 2nd and remained until the final round. The pressure began to show and it came down to the ladies trio match to move into first. After a few rounds at the double, Darren Lupo hit a double 2 to win the match and ultimately 1st place by only 2 points.

State Team Continued

Team #2, whose competitive spirit never diminished, finished in 18th place. Both teams had incredible sportsmanship and represented BCDA with dignity and pride.

Rachael Benjamin, State Team Coordinator, did an excellent job at coordinating the tryouts, fundraising, and practices.

Stay tuned for next year's tryouts!

Chris Salamone was introduced to darts by his coworkers 6 years ago. This is his first season in BCDA and he plays in Doubles B-2 out of Packy's Sports Pub.

During the day, Chris works in I.T. customer service and database work for Sproutloud. He enjoys watching football, going to the gym, darts, and fishing. Two interesting facts about Chris are he has been to the Panama Canal and likes marine biology.

Brittany started playing darts in 2009, with BCDA, in the C Division, at Biddy Early's. She's been on the State Team twice, in 2014 and 2017. Currently, she is playing Doubles with Ashley Richey and Power 19 Silver with the Cirque de Fleches team.

Brittany was married to Lance on 3/28/15. Together they own an American Bull Dog, named Marlin and she is the daughter of Bernadette Stevenson. For work, she is a bartender at the Hard Rock Casino, but she graduated from Broward College with a BS in Environmental Science, and is beginning a new job in November with the USDA.

A fun fact about Brittany is she's very involved with charity work. She loves to do beach clean-ups, Habitat for Humanity, Breast Cancer Awareness, and Imagine, (John Lennon), just to name a few. And when asked what she does in her spare time, she said she's a Disney World Addict.
